

Designer bathrooms at a great price

For great value designer bathrooms, visit Bathrooms by Jane Morgan – a new bathroom showroom in the market town of Settle.

Bathrooms have come a long way since the late 19th century, when most houses did not have an inside bathroom or toilet. Even 30 years ago they were utilitarian spaces that you didn't linger in.

Now, many people would argue that they are one of the most important rooms in the house – a relaxing sanctuary from busy family life. A space to unwind and be cleansed mentally as well as physically, cocooned in glorious isolation.

Bathrooms are getting bigger and better, with separate showers, oversized tubs, sauna rooms and even televisions.

With a handsome selection of contemporary and traditional bathroom suites on hand in the showroom, Bathrooms by Jane Morgan can work with you to find your own personal definition of perfection. To complete your ideal sanctuary, you can choose from a stunning range of Egyptian cotton towels, candles and handmade soaps.

Bathrooms by Jane Morgan focuses on quality bathrooms and tiles, believing that buying a new bathroom purchase is a special event

whether you want supply only or supply and fit bathroom and tiles.

Tiles are sourced directly from across Europe, focusing on Spanish and Italian porcelain suitable for use on either a small or large surface area, ideal for open plan living in hallways, kitchens or bathrooms. Thanks to direct import and distri-

bution, Bathrooms by Jane Morgan can deliver that special purchase at an affordable price.

Launched by Wheildon's, the new bathroom division can help you achieve your dream bathroom – from initial sketches and designs right through to the finished room, including electrical work and tiling.

In keeping with the family business, Bathrooms by Jane Morgan is so named in memory of Roger Wheildon's late mother.

Roger began his plumbing career in Settle, so it was the ideal location for the new bathroom division.

Following the sympathetic refurbishment of the Town Hall into a

local business hub, it became the perfect place to host the new showroom.

So if you are planning a new bathroom, then let Bathrooms by Jane Morgan do the hard work, while you sit back, relax and enjoy the experience.
